Ransom Altman

Wild Animus-Rich Shapero 2004-09-01 How far would you go to find yourself? Wild Animus tracks the reckless quest of Ransom Altman, a young Berkeley graduate who—roused by his literary heroes and love for his girlfriend, Lindy—resolves to live in a new world of “inexhaustible desire.” Ransom’s deepening identification with the wild mountain ram, whose passion and wisdom he seeks, drives the young lovers north—first to Seattle, then to the remote Alaskan wilderness. Alone on the unforgiving ridges of Mt. Wrangell, his imagination increasingly unhinged, Ransom begins to devise and act out a dangerous animal mythos, which he documents in a first-person manuscript, and in songs or “chants” that detail his transformation and pursuit by a pack of strangely familiar wolves. The feverish hunt leads from the wilds to civilization and back again. And when the lovers return to brave the perilous mountain together, the truth behind Ransom’s imagined transformation emerges. What they discover in those frozen heights threatens their love as well as their sanity and their lives. Is Ransom inspired by a transcendent truth, or prey to a misguided fantasy? As his grip on reality weakens, the reader shares Ransom’s fears, his hopes, and his extraordinary discoveries. Wild Animus, Shapero’s debut novel, is a search for the primordial and a journey to the breaking point. It is a story of love and surrender, of monomania—of striving, at all costs, for a bliss beyond fear.

Byung-Chul Han

The Agony of Eros-Byung-Chul Han 2017-03-31 An argument that love requires the courage to accept self-negation for the sake of discovering the Other. Byung-Chul Han is one of the most widely read philosophers in Europe today, a member of the new generation of German thinkers that includes Markus Gabriel and Armen Avanessian. In The Agony of Eros, a bestseller in Germany, Han considers the threat to love and desire in today's society. For Han, love requires the courage to accept self-negation for the sake of discovering the Other. In a world of fetishized individualism and technologically mediated social interaction, it is the Other that is eradicated, not the self. In today's increasingly narcissistic society, we have come to look for love and desire within the “inferno of the same.” Han offers a survey of the threats to Eros, drawing on a wide range of sources—Lars von Trier's film Melancholia, Wagner's Tristan und Isolde, Fifty Shades of Grey, Michel Foucault (providing a scathing critique of Foucault's valorization of power), Martin Buber, Hegel, Baudrillard, Flaubert, Barthes, Plato, and others. Han considers the “pornographication” of society, and shows how pornography profanes eros; addresses capitalism’s leveling of essential differences; and discusses the politics of eros in today’s “burnout society.” To be dead to love, Han argues, is to be dead to thought itself. Concise in its expression but unsparing in its insight, The Agony of Eros is an important and provocative entry in Han’s ongoing analysis of contemporary society. This remarkable essay, an intellectual experience of the first order, affords one of the best ways to gain full awareness of and join in one of the most pressing struggles of the day: the defense, that is to say—as Rimbaud desired it—the “reinvention” of love. —from the foreword by Alain Badiou

Marc Shapiro

The Real Steele: The Unauthorized Biography of Dakota Johnson-Marc Shapiro 2015-02-09 Those who don't believe in miracles should take a look at what brought Dakota Johnson from obscurity to the pinnacle of stardom as Anastasia Steele in the motion picture Fifty Shades of Grey. But who is Dakota Johnson? A surprisingly accomplished and driven actress. This is not some celebrity kid given a plum role because of her connections to old-world Hollywood. In The Real Steele: The Unauthorized Biography of Dakota Johnson you'll see how she went from a life of tranquility and, yes, privilege at the feet of superstar parents Don Johnson and Melanie Griffith, to a determination to succeed that has led her down many paths. First there was a career as an international model, then to growing recognition in a string of successful studio and independent films and, finally, to her big break in Fifty Shades of Grey, Johnson has proven a literal force of nature, always moving forward and always using a natural sense of positive energy to dissuade the naysayers who would line up to take her down. Through exclusive interviews with childhood friends and acting coaches, Marc Shapiro has put Johnson's life and times, much like the actress herself, in a straightforward and always enticing biography.

J. M. Darhower

Monster in His Eyes-J. M. Darhower 2014-04-27 Ignazio Vitale is not a good man. I suspect it, the first time I see him, sense the air of danger that surrounds the man. He has a way of commanding attention, of taking control, of knowing what I’m thinking before I even do. It's alarming and alluring. It's dark and deadly. It's everything I've ever wanted but the last thing I truly need. Obsession. It doesn't take him long to draw me into his web, charming me into his bed and trapping me in his life, a life I know nothing about until it's too late. He has secrets, secrets I can't fathom, secrets that make it so I can't walk away. I see it sometimes in his eyes, a darkness that's both terrifying and thrilling. He's a monster, wrapped up in a pretty package, and what I find when I unmask him changes everything. I want to hate him. Sometimes, I do. But it doesn't stop me from loving him, too.
